at

Great Walstead School, nr Haywards Heath

Please send in your entry in good time for this event and no later than **31st May 2008**. This is a low-key social type event, which all club members are encouraged to enter.

The courses will approximate to Blue, Green, Orange and Yellow (the Blue 3 loops and Green 2 loops this year)). Please indicate on your form which course you wish to run. We will endeavour to average your rate per K time for the course you normally run from the results recorded last year and hence calculate your handicap start time.

Start times are then allocated in advance and the first person home is the winner. The starts will range from around 11am or just before, until around 11:45am. These times should be on the web via the results home page by the Thursday night before the event.

Entry is free - SO club members only. Prior notice is essential.

The handicap event is followed by the AGM this will start at 1.30pm. The AGM will be held at the School. Details of how to reach the hall will be at the event.

As usual the refreshments will be on a bring a plate basis. Perhaps you would indicate on the form whether you will be bringing something savoury or something sweet.
