SOUTHDOWNS ORIENTEERS.

JUNIOR SPRINT SELECTION

BROADFIELD, CRAWLEY

Sun 16th March, 2025.

This selection race has been organised by Southdowns Orienteers on behalf of British Orienteering for juniors M/W 16, 18 and 20. It is a selection race for JWOC, EYOC and JEC. The selection process can be found here.

Officials
Planner: Sue Crickmore (SO)
Organiser: Will Heap (SO) 07833 790 902 / will@willheap.com
Controller: Simon Errington (HH)

Directions and Parking: The car park and assembly are located at Crawley FC. Broadfield Stadium, Winfield Way, West Sussex, RH11 9RX
Google maps
W3W: https://w3w.co/riding.raced.level

You MUST enter from the Eastern roundabout only. Follow the guidance of the marshall upon entering the car park.

Public Transport: Three Bridges or Crawley train stations.

Facilities: Toilets, enquiries, bib collection, download and first aid.

The toilets are in the football stadium. There will be a marshall at the gate to let you in and out. Please use the toilets before you run! This is an urban area and there are no convenient trees to hide behind.

Clothing: All competitors MUST wear a bib. Please collect from registration before you run. Bring your own safety pins. **No bib, no run.**

Shorts and vests may be worn. There are grassy areas, muddy paths and slippery paths. Wear suitable footwear. No metal studs.

Water: There will be no drinking water available. Please bring your own.

Map: Newly mapped in January 2025 by Will Heap IOF ISSpr OM 2019-2. 1:4000. 2.5m contours. Thank you to Euan Marsh and Neil Crickmore for their assistance.

The map has areas of Out of Bounds and uncrossable boundaries mapped using the standard symbols. Make sure you are aware of these symbols.
For map clarity black triangles have been left off the map where one path passes under another on a spiral ramp leading on and off of a footbridge. Example below.

Terrain and Course Notes: Complicated housing estate with pockets of vegetation.
An uncrossable wall around an underpass will be marked with black/yellow tape. Do not cross this tape.
Artificial uncrossable barriers on the map will be marked with red and white tape on the ground and will have a marshall at them.

Roads and Traffic: The courses are designed to cross only the smallest of roads which are mostly cul de sacs where traffic is minimal. Competitors must still be aware that there may be moving traffic on these roads and should take care when crossing. The 30mph ring road around Broadfield is out of bounds and may only be crossed via the tunnels and bridges marked on the map. The road is crossed either by tunnels using the canopy symbol or by footbridges. The underpasses on the way to the start show how the tunnels have been mapped.

Marshalls on Course: Out of bounds - there will be marshalls in the competition area. Anyone seen crossing a barrier or entering an out of bounds area will have their bib number recorded.

Electronic Timing – Contactless: SportIdent electronic timing will be used. All controls except the start will be enabled for SIAC contactless dibbers, but will work as normal for those who don't own a SIAC. Pre- ordered dibbers will be available from the Download tent.

IMPORTANT SAFETY NOTICE. The area is used by the public and it is likely you will encounter dog walkers. You must take care when rounding corners and give way to other pedestrians. Please be polite and friendly. The future use of the area depends on our good behaviour.

Start: Starts are from 09:30-10:30 and will be pre-allocated. The start list will be available on March 10th. The start is approx 1.2km from assembly. You must collect a map to the start from registration - the route will be taped. Call up will be -3 minutes. Loose control descriptions will be available at -2 minutes.

There is a punching start. All other controls, including the finish, will be SIAC enabled.

Course details	Length (km)	Climb (m)	Controls
Course 1 M16,18,20	3.95 km	50m	23
Course 2 W16,18,20	3.30 km	35m	18

Finish: Finish is 200m from assembly. The finish is SIAC enabled for both courses. No spectators at the start or finish please.

Course Closing: 11:30

Dogs: Dogs are allowed in assembly area on a lead. Please clean up after your dog. Dogs are not allowed on course.

First Aid: Provided by Pulse South Coast Ltd who will be located near Download.

SAFETY
Head northeast until you reach Crawley FC.

You must download even if you do not complete your course.
Competitors take part at their own risk.

Complaints, Protests and Appeals: In the first case, the competitor should discuss any concerns with the planner, controller and organiser. If unresolved a jury will decide the outcome.

Photography: In accordance with British Orienteering Child Welfare Policy and Procedures, we request that any person wishing to engage in any video, zoom or close-range photography should make themselves aware of British Orienteering policy. Organisers reserve the right to challenge anyone who is giving cause for concern. There will be photos taken by the event photographer Rob Lines, who will be clearly identified. Photos may be published on the Southdowns Orienteers website. Please inform the event organiser if you do not wish you or your child to be photographed.

Data Protection: Personal information provided for this event will be used to process your entry, communicate about the event, publish results and check for missing runners only.

We are grateful to Crawley FC for the use of their car park and facilities and Crawley Borough Council for the use of the area.
