Join us at Rewell Woods, in the beautiful South Downs National Park, near Arundel for a Regional Orienteering event (level C) featuring courses for all abilities from White 1.6km to Brown 10.2km.

The area offers a variety of challenging terrain, encompassing a slope of ancient yew woodland, chalk downland and varied commercial woodland. It's proximity to the thriving historic town of Arundel gives the opportunity for a full day out with a visit to Arundel Castle or WWT Arundel Wetland Centre.

The map to be used for this event (Rewell NE 1:10,000) was newly extended in 2017 by Roger Maher to include some significant valleys and contour features in the north eastern region. Minor updates have been made in 2018. Courses have been planned to make use of this interesting area.

The event will use contactless SIAC electronic timing and also support non-contactless dibbers. Electronic timing dibbers available for hire.

Help will be available for newcomers. Toilets and first aid will be available. Dogs allowed.

Location: Parking in the centre of Rewell Wood with less than 500m to start. Accessed from the A27 eastbound carriageway, to the west of Arundel, SU983072, BN18 0AJ.

Registration: From 9.45am – 11.15am. Start times: Between 10.00am and 12.00am.

Courses close 14.00pm. Turn up and run if pre-registered.
