### **Shadowing Children**

Adults may wish to shadow younger juniors but please don't pick up an extra map. Young Juniors may be shadowed by an adult and may still run competitively, provided the shadower does not give any navigational assistance. Please declare at the end of the course if the young junior has had navigational assistance. Adults, please run your own course first if shadowing.

### **Complaints, Protests and Appeals**

In the first case, the competitor should discuss any concerns with the Planner, Controller or Organiser, dependent on the problem. If this does not resolve the issue then Complaints should be made to the Day Organiser in writing via Enquiries. A Complaint should be made as soon as possible after the problem is identified and no more than 15 minutes after the last result being displayed. The Organiser is the adjudicator. A Protest can only be made against the Organiser's decision, in writing to the Controller, again via Enquiries. Protests and appeals will be handled under Rule 16 and Appendix A of the 2018 British Orienteering Rules version 3.7.

**Terrain and course notes:** Abbots Wood is ancient woodland. Most courses visit some parts of the forest that have not been used in a very long time. Away from the start and finish, many courses have surprisingly little undergrowth at the time of writing. Courses planned to avoid the worst of the undergrowth and if thicker patches are encountered, they can be bypassed with a small detour, unless you are a long way off line! Full leg covering is compulsory and gaiters recommended.
